TERMS AND CONDITIONS OF QUOTATION AND SALE

These Terms and Conditions form a part of the quotation and/or acceptance of Buyer's purchase order in connection with which they have been supplied to Buyer, and of any subsequent purchase by Buyer until such time as revised Terms and Conditions of Quotation and Sale are supplied to Buyer, in which case the latest supplied Terms and Conditions of Quotation and Sale, until later replaced, will apply to all subsequent such purchase orders.

APPLICABILITY - (a) This purchase order is an offer to a buyer ("Buyer") for the purchase of the goods specified on the face of this purchase order (the "Goods") from the party to whom the purchase order is addressed ("Seller") in accordance with and subject to these terms and conditions (the "Terms"; together with the terms and conditions on the face of the purchase order, the "Order"). This Order, together with any documents incorporated herein by reference, constitutes the sole and entire agreement of the parties with respect to the Order, and supersedes all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral, with respect to the subject matter of the Order. The Order expressly limits Seller's acceptance to the terms of the Order. These Terms prevail over any terms or conditions contained in any other documentation and expressly exclude any of Seller's general terms and conditions of sale or any other document issued by Seller in connection with this Order. (b) These Terms apply to any repaired or replacement Goods provided by Seller hereunder. (c) Buyer is not obligated to any minimum purchase or future purchase obligations under this Order.

DEFINITIONS - The word "GEKA USA" as used herein shall mean GEKA USA LLC. The word "Purchases" as used herein shall mean one or more of the basic Machine, its equipment, accessories, parts, and optional items as are purchased under the "Contract" as hereinafter defined. The word "Machine" as used herein shall mean the basic Machine utilizing equipment and/or accessories and/or parts and/or optional items purchased under such Contract, or the basic Machine on which the Purchases will be used if such Machine was purchased from GEKA USA or another supplier under a different earlier contract.

RELATIONSHIP OF PARTIES - The relationship between the parties is that of independent contractors. Nothing contained in the Order shall be construed as creating any agency, partnership, joint venture or other form of joint enterprise, employment, or fiduciary relationship between the parties, and neither party shall have authority to contract for or bind the other party in any manner whatsoever. No relationship of exclusivity shall be construed from this Order.

DELIVERY LOCATION - All Goods shall be delivered to the address specified in this Order (the "Delivery Location") during Buyer's normal business hours or as otherwise instructed by Buyer.

PRICES - All prices are quoted U.S. duty paid unless otherwise indicated. GEKA USA will endeavor to maintain the prices quoted for any Machine, but cost increases beyond its control, including changes in foreign exchange rates, may necessitate price increases. Prices in effect at the time of GEKA USA's oral or written acceptance of Buyer's oral or written purchase order will prevail and will be firm and binding. If included, then the price of the Goods is the price stated in the Order (the "Price"). If no price is included in the Order, the Price shall be the price set out in Seller's published price list in force as of the date of the Order. Unless otherwise specified in the Order, the Price does not include packaging, transportation costs to the Delivery Location, insurance, customs duties, and/or fees and applicable taxes, including, but not limited to, all sales, use or excise taxes.

ACCEPTANCE - This Order is not binding on Buyer until Seller accepts the Order in writing or starts to perform in accordance with the Order. If Seller does not accept the Order in writing provide written notice that it has commenced performance within sixty (60) days of Seller's receipt of the Order, this Order will lapse. Buyer may withdraw the Order at any time before it is accepted by Seller.

PURCHASE ORDER - The Buyer's purchase order, whether oral or written, shall be an offer to purchase based upon the relevant oral or written quotation made by GEKA USA, and shall be subject in all respects to these Terms and Conditions of Quotation and Sale. Buyer's purchase order will become binding upon GEKA USA only when accepted by GEKA USA orally or in writing or by shipping a purchased item. The quotation by GEKA USA is not an offer. The details of an oral purchase order, the details of any oral acceptance by GEKA USA and the date of shipping shall be conclusively the respective dates thereof solely as shown by the records of GEKA USA or of GEKA USA supplier kept in the ordinary course of business. It will be the responsibility of Buyer to ascertain and understand the capacity rating of a Machine, if any, being ordered at any time and to determine that it will meet Buyer's requirements and that Buyer's use thereof will not exceed any capacity rating of the Machine or of its equipment, accessories, parts and/or optional items. Granting or withholding of such consent shall be totally at the discretion of GEKA USA.

CANCELLATION - Buyer's oral or written purchase order shall not be subject to cancellation by Buyer before or after acceptance by GEKA USA except with GEKA USA's written consent, and then only upon terms and conditions that will fully indemnify GEKA USA against all losses resulting therefrom.

CONTRACT - The contract between Buyer and GEKA USA shall consist of Buyer's oral or written purchase order and any relevant oral or written quotation made by GEKA USA, the acceptance of the purchase order by GEKA USA, whether oral or written or by shipping, and these Terms and Conditions of Quotation and Sale (the "Contract"). GEKA USA's records of any oral part of the Contract shall be conclusively evidenced by GEKA USA's records thereof kept in the ordinary course of business.

DELIVERIES, LIMITATION OF LIABILITY - GEKA USA shall under no circumstances be responsible or liable for delays, nonperformance, loss, or damages, whether direct or consequential, due to any circumstances beyond GEKA USA's control, in which event GEKA USA shall have the right to revoke its acceptance of Buyer's purchase order, without any responsibility or liability to Buyer whatsoever, whether direct or consequential.

PURCHASES BY CREDIT CARD - If Buyer shall pay its obligation to GEKA USA by credit card, Buyer's purchase order shall not be cancelable by Buyer after payment has been made by credit card except with the written consent of GEKA USA, and the granting or withholding of such consent shall be totally at the discretion of GEKA USA.

FREIGHT RATES - GEKA USA neither guarantees nor assumes any responsibility or liability for domestic or international freight rates.

RISKS - Purchases will travel totally at Buyer's risk, and the Buyer hereby assumes all risks of loss, injury or destruction occurring after the time of shipment of the Purchases to Buyer by GEKA USA or the manufacturer. No such loss, injury or destruction shall operate in any manner to release the Buyer from the obligation to pay for the shipped Purchases. In the event of damage or loss in transit, GEKA USA will, if feasible, assist Buyer in asserting Buyer's claim against the carrier or insurer.

TITLE - Title and ownership of all Purchases shall remain with GEKA USA after receipt thereof by Buyer until payment therefor has been made in full. After receipt thereof by Buyer, all of such Purchases shall be and shall remain personal property and shall retain their character as such even if they are installed on permanent foundations or in any other manner affixed or attached directly or indirectly to realty, and without regard to the purposes for which they may be used. The rights of GEKA USA to possession of such Purchases until the purchase price therefor shall have been paid in full shall be superior to any rights of the Buyer to possession thereof. If Buyer shall fail to make any payment when due under the Contract, GEKA USA shall be entitled to all remedies available under the Uniform Commercial Code in force in the State of Maryland on the date of the Contract, including the right to repossess the Purchases by self-help and without resort to judicial process.

INSPECTIONS AND CLAIMS - The Buyer shall inspect all Purchases immediately upon their arrival at the destination specified in the Contract and shall, within five (5) days thereafter, give written notice to GEKA USA of any claims that the Purchases do not conform to the requirements of the Contract. If no such notice is given within such five (5) day period, the Purchases shall conclusively be deemed to conform in all respects to the requirements of the Contract. All claims made within said five (5) day period will, if justified, be satisfied by GEKA USA or the manufacturer in accordance with the **LIMITED WARRANTY** set forth below.

RETURNS - GEKA USA will not accept any return of Purchases unless (a) GEKA USA shall have authorized each such return and (b) Buyer shall have prepaid all freight charges thereon to GEKA USA's warehouse or other designated consignee. Any conditions specified by GEKA USA in GEKA USA's authorization of any return of Purchases shall bind the Buyer making the return.

SAFETY RESPONSIBILITY - It is the Buyer's and operator's joint and several responsibility to use all Machines and Purchases only with proper safety devices and equipment and proper operating procedures to safeguard the operator from injury at all times and on a continuing basis during any set-up, use or operation of the Machines and Purchases. It is the Buyer's responsibility to train all operators in proper and safe operation and usage of the Machines and Purchases. It is the Buyer's and operator's further joint and several responsibility to assure that such set-ups, uses and operations are not beyond the rated capacities of the Machine and Purchases and are not on materials for which the Machine and Purchases were not designed. It is the Buyer's and operator's joint and several responsibilities to set-up, use and operate the Machine and Purchases in conformity with all Federal, State, and local government safety standards and all industry safety standards. GEKA USA will not be responsible for, and Buyer and operator will indemnify and exonerate GEKA USA from, expenses of defense and all claims and judgments resulting from non-compliance with any provisions of this paragraph.

ELECTRIC CODE, ELECTRIC POWER SUPPLY, OPERATION AND MAINTENANCE - INDEMNIFICATION - Compliance with applicable electric code, provision of the proper power supply and related controls, proper operation and proper maintenance of the Machine and Purchases are the responsibility of the Buyer.
